

Our Blueprint for Significant Community Impact

Reimagining Equal Justice

Our Vision

Inspire & empower our people to address some of the major justice challenges of our time + create a more just society by reducing inequality & poverty among young people.

Our Plan

At its core is our long-standing grassroots work which creates positive social change. We also want to use the knowledge gained through that work to explore major justice challenges and see what further contributions we can make to the structural causes of inequality & poverty.

Our Focus

Young People.

Priority Group

First Nations Young People.

SDGs Alignment

Our plan is aligned to the UN's Sustainable Goals (in particular, SDGs 1, 10, 13 & 16).

We aim to:

A	B
<p>Create Positive Social Change By:</p> <ul style="list-style-type: none"> A1. Improving the Legal System A2. Supporting Equal Justice & Opportunities A3. Strengthening Civil Society 	<p>Address Major Justice Challenges By:</p> <ul style="list-style-type: none"> B1. Exploring the Big Challenges B2. Exploring Technology & Equal Justice

To deliver outcomes for:

Young People	By:	First Nations Young People
<p>A1. Utilising our industry leading skill set, & being bold, dynamic, challenging and to ensure maximum impact, directing our support to where we may be able to improve the legal system.</p> <p>A2. Focussing on providing direct assistance & creating opportunities to support improved legal, social & economic wellbeing. In partnership with our Community Partners, we will exchange information, and provide our legal expertise, specialist skills & resources to help create improvements.</p> <p>A3. Working with & alongside our Community Partners, and civil society in general, to help build strong & adaptable organisations, and confront challenges when they arise.</p>		<p>B1. Facilitating informed discussion, debate & where appropriate, advocacy, on the major justice challenges facing Australia and humanity worldwide.</p> <p>B2. Exploring new ways to deliver legal advice & assistance to disadvantaged communities to improve equal justice, while at the same time, responding to the challenges new technology presents.</p>

To reduce inequality and poverty

To achieve this, our enablers will be:

<p>Our People</p> <p>We want to be the best place for extraordinary people to work, grow & create positive social change.</p>	<p>Our Partnerships</p> <p>Our impact work is always aligned to, and strengthens, the mission & ambitions of our Community Partners, & allows our commercial clients to participate in our program.</p>	<p>Our Operations</p> <p>We want to be industry leaders in the impact we have, as well as leaders in measuring, evaluating & reporting on our community impact. Our key program streams are pro bono, social mobility & inclusion, skilled volunteering and philanthropy.</p>
